Minutes of the June 20, 2007 meeting were approved.

Extensive comments were taken during the public comment item. A motion was made (Weiss) and seconded (Evans) that **the LJCPDAB not support the implementation of any parking plan that includes paid parking without the demonstrated support of those affected.** After discussion the question was called. The motion to call the question failed 1-5. The maker of the original motion withdrew it.

There was a discussion of the status of the RFP to detail the parking framework. It will be prepared by the RFP Committee and sent out for review prior to the next meeting.

There was discussion of changing the parking time limit on Girard Ave. to 90 minutes. Gary Pence will determine how much time it would take the city to implement such a change and report back at the next meeting.

Melisa Tintocalis will invite Mike Vogl and Ray Trippi to the next meeting to discuss parking enforcement.

The meeting was adjourned. The next scheduled meeting is at 9:00 AM on August 15, 2007 at the Athenaeum.

Respectfully submitted,
